Our newly remodeled apartment homes feature new appliances including built in microwave, dishwasher and garbage disposal. Each apartment has a new built in air conditioner to keep you cool in the summer. The bathroom features ceramic tile floor and all new fixtures. Add new carpet throughout to complete this perfect picture. We are conveniently located off highway 242 within walking access to BART, shopping and restaurants. Relaxing in one of our two pools or spa is a great way to wait out the chore of doing laundry in one of our two convenient laundry rooms. Our community stands out as a great value and ideal home.
